Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: A telephonic interview was conducted with applicant's representative Joseph F. Oriti in discussing the proposed agenda submitted by applicant's representative. The examiner explained examiner's position in mapping the prior art Tracey (US 2003/0083917) with respect to the claims to clarify applicant's questions regarding the prior art. Applicant's representative stated that he would make appropriate argument towards the Office Action or amendments if necessary. In addition, the examiner has also agreed to withdraw the 112 rejection after applicant's representative clarified the term "consolidating" with respect to the Specification.

Dear Examiner Liu:

Per your voice mail request, I am faxing this request for a telephone interview to discuss the Office Action dated October 15, 2007. Also, per your request, a proposed agenda is provided.

PROPOSED INTERVIEW AGENDA

- With respect to the 35 USC 112 rejection, discuss the meaning of the term "consolidating".
- With respect to the 35 USC 102 rejection, discuss how Tracey *et al.* is being interpreted and asserted against the claims. For example, discuss what elements of Figures 1, 2, and 3 are being equated with claim limitations "a context entity", "a plurality of related service entities", and "a plurality of application services". And discuss how other cited portions of Tracey *et al.* are being interpreted.
